

End-of-the-semester Evaluation

Please respond to each of the following statements by choosing a number ranging from 1 through 7 as indicated by the scale below. If the question is not applicable, mark NA.

	<u>Strongly</u> <u>Agree</u>	1	2	3	4	5	6	7	<u>Strongly</u> <u>Disagree</u>
1. I am glad I was placed in this learning community (LC).	1	2	3	4	5	6	7	NA	
2. This LC has helped me to see the connections between the sciences and the humanities.	1	2	3	4	5	6	7	NA	
3. Taking sciences in college is important in my education.	1	2	3	4	5	6	7	NA	
4. Taking humanities in college is important in my education.	1	2	3	4	5	6	7	NA	
5. I enjoyed the science course in this LC.	1	2	3	4	5	6	7	NA	
6. I enjoyed the humanities' course in this LC.	1	2	3	4	5	6	7	NA	
7. The science content of this LC was rigorous.	1	2	3	4	5	6	7	NA	
8. The humanities content of this LC was rigorous.	1	2	3	4	5	6	7	NA	
9. Grouping courses around central themes is an improvement over taking separate unrelated courses.	1	2	3	4	5	6	7	NA	
10. I appreciate how the purposeful blending of the sciences and humanities makes me a more well-rounded student.	1	2	3	4	5	6	7	NA	
11. More students should be given the opportunity to be involved in similar learning communities.	1	2	3	4	5	6	7	NA	
12. I am more likely to major in science because of these courses.	1	2	3	4	5	6	7	NA	
13. I am more likely to take a science course as an elective after taking these courses.	1	2	3	4	5	6	7	NA	
14. I am more likely to major in a humanities field because of these courses.	1	2	3	4	5	6	7	NA	
15. I am more likely to take a humanities course as an elective after taking these courses.	1	2	3	4	5	6	7	NA	
16. This LC was well planned.	1	2	3	4	5	6	7	NA	
17. The two professors treated each other with respect.	1	2	3	4	5	6	7	NA	
18. The science professor treated me with respect.	1	2	3	4	5	6	7	NA	
19. The humanities professor treated me with respect.	1	2	3	4	5	6	7	NA	
20. I felt "cared about" in this LC.	1	2	3	4	5	6	7	NA	
21. The two professors treated the undergraduate preceptors as valuable team members.	1	2	3	4	5	6	7	NA	
22. The lab/field experiences contributed to my understanding of the connections between academic disciplines.	1	2	3	4	5	6	7	NA	
23. I likely will consider the issues introduced in this learning community throughout my life.	1	2	3	4	5	6	7	NA	

24. I'm confident that my new knowledge has real-world applications. 1 2 3 4 5 6 7 NA
25. I better understand how scientific thought can contribute to resolving complex local, regional and global civic issues. 1 2 3 4 5 6 7 NA
26. I better understand how humanistic thought can contribute to resolving complex local, regional and global civic issues. 1 2 3 4 5 6 7 NA
27. I am more likely to be an active citizen because of this LC. 1 2 3 4 5 6 7 NA
28. This LC increases my understanding of civic responsibility. 1 2 3 4 5 6 7 NA
29. This LC helped me to realize that there are multiple perspectives from which to view an issue. 1 2 3 4 5 6 7 NA
30. This LC increased my appreciation of different modes of learning, dialogue, inquiry and thought. 1 2 3 4 5 6 7 NA
31. The assignments in this LC have improved my communication skills (oral, written, listening, etc.). 1 2 3 4 5 6 7 NA
32. My critical thinking skills (gather, analyze, interpret, and communicate information) have improved because of this LC. 1 2 3 4 5 6 7 NA
33. The students in this LC helped each other learn. 1 2 3 4 5 6 7 NA
34. I actively participated in class discussions. 1 2 3 4 5 6 7 NA
35. My participation in class discussions has increased since the beginning of the semester. 1 2 3 4 5 6 7 NA
36. Because of this LC, I am better able to appreciate opinions that differ from my own. 1 2 3 4 5 6 7 NA
37. I developed strong friendships within this LC. 1 2 3 4 5 6 7 NA
38. I was encouraged to share my ideas and opinions. 1 2 3 4 5 6 7 NA
39. Because of this LC, I am more likely to engage in intellectual discussion outside of class. 1 2 3 4 5 6 7 NA
40. Creating and maintaining my own web page for this LC was a valuable learning experience. 1 2 3 4 5 6 7 NA
41. I liked creating and maintaining my own web page for this LC. 1 2 3 4 5 6 7 NA
42. I looked forward to the field/lab experiences. 1 2 3 4 5 6 7 NA
43. I'm proud of my accomplishments in this LC. 1 2 3 4 5 6 7 NA
44. I worked as hard as I should in this LC. 1 2 3 4 5 6 7 NA
45. The theme that linked the sciences and humanities in this LC was effective. 1 2 3 4 5 6 7 NA
46. I'm more involved (or will be) with Wofford's civic organizations because of this LC. 1 2 3 4 5 6 7 NA
47. Using the scale to represent hours, how many per day did you spend studying for your classes? 1 2 3 4 5 6 7 NA

Discuss what impact this LC has had on you (this is the most important question on the evaluation - please consider it carefully).

How has the participation of your preceptors affected this LC, your learning, etc.?

What did you like best about participating in this LC?

Has participating in this LC presented any problems for you? If so, what were they?

How could this learning experience be improved for next year?
