Topic for second Paper

**Topic.** How did Khrushchev hope to solve the problems left by Stalin’s death in 1953, and how successful was he? Make sure to define what problems exactly were created by Stalin’s system.

As best as you can, try to integrate material from the readings in McCauley, Ulam, and Hosking, as well as the lecture material. Your essay should present a coherent and well-organized argument.

**Final Version.** Your essay should be 5-6 pages long (typed, double-spaced, 12 pt. font.) It is due at the beginning of class on Monday, November 14, 2005. You should email it to me before class that day.
